SAIZAR Enterprise Pvt. Ltd.

Is amongst India's Major Trailer Fleet Owners and Transportation Service Providers. A legacy inherited from a Partnership business started by Late Jal H. Indorewalla in 1956, which was later given a new corporate identity in the year 1999, having a customer centric approach coupled with a desire to innovate and to enhance the company's operational proficiency to transport a multitude of products throughout the length and breadth of the country.

Today, SAIZAR is a recognized player in road transportation and has the expertise to successfully design and implement customized solutions for bulk movement in road transportation. SAIZAR is approved by the Indian Bankers Association (IBA) and is also ISO: 9001-2015 certified. We are proud to be one of the few transporters of Tata Steel to have a 5 Star rating in their Contractor Safety Management Program Which has an extremely stringent evaluation procedure. The growth of the organization is largely attributed to the successful execution of numerous Over-Dimensional Cargo project (ODCs) with the sheer hard work and dedication of the Chairman and Managing Director, Mr. Kersoo Jal Indorewalla.
